Re: Application Of Memphis Networx, L.L.C. for a Certificate of Public Convenience and Necessity to Provide Intrastate Telecommunication Services and Joint Petition of Memphis Light Gas & Water Division, A Division Of The City Of Memphis, Tennessee ("MLGW") and A&L Networks-Tennessee, L.L.C. ("A&L") for Approval of Agreement Between MLGW and A&L Regarding Joint Ownership of Memphis Networx, LLC.

Docket No. 99-00909

During the July 7, 2000 Pre-Hearing Conference, the parties presented their positions on the Motion to Lift Protective Order filed by Time Warner Communications of the Mid-South, Time Warner Telecom of the Mid-South L.P., and the Tennessee Cable Telecommunications Association ("Movants") on May 1, 2000 and on the Response filed by Memphis Networx, LLC, Memphis Light, Gas & Water Division, and A&L Networks - Tennessee, LLC ("Applicant and Joint Petitioners") on July 3, 2000. It is unclear from the filings and parties' statements which documents Movants wish to remove from the application of the Protective Order. In addition, it is unclear whether any of the contested documents have been produced as "public records" in response to another request for such documents. Therefore, it is necessary for Movants and Applicant and Joint Petitioners to provide answers to the following questions no later than

Tuesday, July 11, 2000 at 2:00 p.m. Movants and Applicant and Joint Petitioners may, if they so choose, file a joint response.

- 1. Which documents are Movants arguing should not be subject to the application of the Protective Order? Please provide a brief description of the document and any numeration.
- 2. Of the documents listed in Question 1, which, if any, have been produced as "public records" pursuant to another request?
- 3. How does the provisioning of the documents listed in Question 2 as part of a public records request affect the application of the Protective Order to those documents?

Thank you for your attention in this matter.
